My Community Alert

My Community Alert is a fantastic free messaging system operated by Humberside Police, giving you important details on live incidents and timely information specifically about an area you live or work in.

Have you ever seen a police car whizz past you to discover the road ahead is closed and you never find out what actually happened, or heard a rumour about a run of crime near you and wished you had known sooner? If the answer to these questions is yes, then signing up to My Community Alert is just for you.

You have the option to choose how you would prefer to be communicated, what type of issues matter to you, how often and which is the best method of us getting in touch with you. Best of all it is completely free!

When something happens and it fits your stipulations, your local officer will send you details, whether it is a notice of a road closure due to a collision or a burglar who has been caught in a nearby garden. If you subscribe to My Community Alert, you will always be the first to know about issues that might affect you. How great is that?

**All you need to do is Register online now as the system goes live for
Humberston and New Waltham on 15/3/2018.**

Local agencies working in this area will not tolerate anyone committing crime, causing anti-social behaviour or being responsible for environmental crime (littering, graffiti, etc) in your neighbourhood and **neither should you!**
